## **CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET**

---

### **CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)**

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

### RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

By Order of the Board  
**King Force Group Holdings Limited**  
**Fu Yik Lung**  
*Chairman and Executive Director*

This appendix serves as an explanatory statement as required under the GEM Listing Rules to provide the requisite information to Shareholders for consideration of the Repurchase Mandate pursuant to Rule 13.08 of the GEM Listing Rules.

## **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 6,400,000,000 Shares. Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company will be allowed to repurchase a maximum of 640,000,000 Shares.

## **2. SOURCE OF FUNDS**

The Directors propose that the repurchase of Shares under the Repurchase Mandate would be financed from the Company's internal resources.

In repurchasing the Shares, the Company may only apply funds which are legally available for such purposes in accordance with the constitutive documents of the Company, the GEM Listing Rules and the applicable laws and regulations of the Cayman Islands. The Company will not purchase the Shares on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

## **3. REASONS FOR SHARE REPURCHASE**

Although the Directors have no present intention of exercising the proposed Repurchase Mandate, the Directors believe that the flexibility afforded by the proposed Repurchase Mandate would be beneficial to the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that repurchase of Shares will benefit the Company and Shareholders as a whole.

**4. SHARE PRICES**

The highest and lowest prices at which the Shares have traded on the Stock Exchange in each of the previous twelve months and up to the Latest Practicable Date were as follows:

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the GEM Listing Rules, the applicable laws of the Cayman Islands and the Articles of Association.

**6. EFFECT OF THE TAKEOVERS CODE**

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the following Shareholders had interests representing 5% or more of the issued share capital of the Company:

*Notes:*

1. Mr. Fu beneficially owned the entire issued capital of Optimistic King and is deemed, or taken to be, interested in all the Shares held by Optimistic King for the purposes of the SFO. Mr. Fu is an executive Director, the chairman of the Company and one of the directors of Optimistic King.

The Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or group of Shareholders obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors will not repurchase the Shares on the GEM if the repurchase would result in the number of the listed securities which are in the hands of the public falling below 25%, being the relevant minimum prescribed percentage for the Company as required by the Stock Exchange.

#### **7. DISCLOSURE OF INTERESTS OF DIRECTORS, THEIR ASSOCIATES AND CORE CONNECTED PERSONS**

As at the Latest Practicable Date, none of the Directors nor, to the best of their respective knowledge and belief and having made all reasonable enquiries, their associates (as defined under the GEM Listing Rules), have any present intention, if the Repurchase Mandate is approved by the Shareholders and is exercised, to sell any Shares to the Company or any of its subsidiaries under the Repurchase Mandate.

As at the Latest Practicable Date, no core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares in the event that the Repurchase Mandate is approved by the Shareholders.

#### **8. MATERIAL ADVERSE CHANGE**

As compared with the financial position of the Company as at 31 March 2016 (being the date to which the latest audited accounts of the Company have been made up), the Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

#### **9. SHARE REPURCHASE MADE BY THE COMPANY**
