### **INSIDE INFORMATION PROFIT WARNING**

This announcement is made by King Force Group Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules (the “**GEM Listing Rules**”) Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Company for the three months ended 31 December 2016 (the “**Reporting Period**”), the Group is expected to record a significant increase in operating loss for the Reporting Period as compared with the same period in 2015.

The expected increase in loss was primarily attributable to i) the increase in administrative expenses, including staff costs, property rentals, amortization of intangible assets and depreciation of property, plant and equipment for the three months ended 31 December 2016; and ii) the decrease in the Group’s gross profit by approximately 10.4% as compared with the same period in 2015 as a result of the increase in staff cost.

The Company is still in the process of finalizing the consolidated financial results of the Group for the Reporting Period. The information contained in this announcement is only based on the information currently available and the preliminary review on the unaudited consolidated management accounts of the Company, which are subject to finalization and other adjustments, and have not been confirmed, reviewed or audited by the Company’s auditor.

Shareholders and potential investors are advised to peruse the financial results for the Reporting Period with care when it is released. The third quarter report announcement of the Company for the Reporting Period shall prevail over the information contained hereon, and will be published in February 2017 pursuant to the requirements of the GEM Listing Rules.

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**
